

Christmas Tree Pick up 2023

EnviroGreen will be recycling Christmas trees again this year. We will be collecting trees the week of Monday, January 2nd and the week of Monday, January 9th, 2023. Trees need to be out at the curb by the beginning of the week. Due to weather and other unforeseen issues we cannot provide the exact day or time to each community.

Please remove all lights, ornaments, stands, and plastic wrap from the trees. Please do not dispose of wreaths with the trees; the material that holds the wreaths together will cause damage to the equipment. Wreaths should be disposed of with your regular trash.

We thank you for taking part in our Tree Recycling Program this year. From all of us here at EnviroGreen we would like to wish each and every one of our customers a Safe and Happy Holiday Season and a Happy New Year!

Happy Holidays,

EnviroGreen
